

A stylized, light gray illustration of a wedding scene. In the center, a bride in a long dress holds a bouquet of flowers, and a groom in a tuxedo and top hat stands beside her. They are surrounded by decorative elements: two doves in the upper corners, and stylized foliage and leaves framing the scene.

*The Marriage of Standardization,  
Parts Management, DMSMS, & GIDEP  
Under the  
Defense Standardization Program*

Officiated by

A stylized, light gray illustration of wedding items. On the left, a bride holds a bouquet of flowers. On the right, a large diamond engagement ring is shown. The items are framed by decorative foliage and leaves.

Success in an organizational marriage is more than finding the right organization...

Being the right organization is even more important!
